STATUS

Proposal

Set on 4000 acres, of which 3000 is for wildlife development, individual luxury villas will be placed of a 6* standard. There will be 10-12 villas, and a three bedroom chairman's cottage which will be a fully self-contained unit and will seat up to 12. The venue is to have a "canvas conference" facility and will be accommodating to weddings. Each villa will have a deck bar/pantry, and a dip pool. The site is to have a runway which will have cessna's and caravan's landing on it. All staff housing to be out of site from the main road.
